NOTE FOR: EXO/DDA

Ed,

Attached is a draft Employee Bulletin prepared by the History Staff dealing with the current U-2 exhibit at the Air and Space Museum. It is provided in the event you all feel it would be worthwhile to put something out; please do not feel under any pressure to do so if you feel it wouldn't be appropriate.

If you do decide to put one out, it might be good to run it through S&T (and Security if there is any reason why Agency employees should not be encouraged to attend such an exhibit for fear they might comment on Agency capabilities/activities in a public place).
